All my dogs come from parents without hereditary illnesses and are individually screened as soon as possible. All testing results are available on request.

GM1 (Storage Disease)

CERF (Canine Eye Registration Foundation)

OFA (Orthopedic Foundation for Animals)

PRA (Progressive Retinal Atrophy)

IC (Improper Coat)

*Being a gene carrier does not, in any way, affect the health of the dog or its offspring, nor does it affect the aspect of its coat unless bred with another carrier.

VACCINATIONS

For vaccinations, I follow Dr. Jean Dodds' minimal canine vaccination protocol. For more information on the protocol, please refer to the following site:

<http://www.itsfortheanimals.com/DODDS-CHG-VACC-PROTOCOLS.HTM>

[Click here](#) to save the vaccination protocol. (PDF)
